For incidental spill follow appropriate clean-up procedure.

Weekends or evenings
Non-incidental chemical or oil release
or condition identified in note #1

Week days between 8:30 and 5:00
Non-incidental chemical or oil release
or condition identified in note #1

Note 1
Employees should call in:
* All spills that enter floor drains, storm drains, sumps or contact the ground outside our facility
* All spills contained within the plant that can not be handled by plant personnel because of size, or hazard (such as spills requiring respirators)
Figure 1 (cont.)
