

# Travel Approval Form

For Graduate and Professional Students

Effective November 6th, 2020, due to the rise in in the spread of COVID-19 in Connecticut and around the country, the university is now requiring all students to limit travel outside the state to essential travel and to obtain preapproval for such travel from their school's [Health and Safety Leader](#). Please see [Yale Travel Guidelines](#) for details. (Research-related travel restrictions are [here](#). The same link includes Yale guidance about travel to specific locations.)

Failure to obtain approval from your school's [Health & Safety Leader](#) in a timely fashion prior to travel is a violation of the community compact. State requirements and Yale's policy apply and may change at any time should the health and safety environment warrant.
