

SEAS Chemical Clean Out Day

1st SEAS Chem Amnesty Day May 12, 2025 9am – 3pm @Becton C037

GET RID OF YOUR AGING, UNWANTED CHEMICALS EASILY!

NO TAG, NO FORM! JUST BRING THEM IN!

What's That?

Oh Please!

Got old, expired, smelly, excessive chemical bottles taking up lab space?

Don't let old expired chemicals ruin your research!

Take Back Storage Space! Make your Lab Safer & Cleaner!

Who: All BCT, ML, DL, MEC, 17HLH Labs

When: Monday May 12th, 9:00 am-3:00 pm

Where: BCT C037

How: **Collect** your old chemicals in cabinets/drawers, on shelves/benches/floor

- For Original Containers - You do NOT need to tag or fill out any form.
- For User-made samples - Simply write all the contents on each container.
- Bring your old, unwanted chemicals using secondary containment or cart to BCT C037 (Note!! **No radioactive materials or controlled substances for animals**).
- If you have a large number of chemicals (50+) or need assistance, please contact Environmental Affairs at 203-432-6545 or waste.requests@yale.edu to arrange for a special pick up.
