Procedure Following Blood/Body Fluid Exposure

*Report exposure immediately.
You may need immediate treatment.*

If you are exposed to blood or body fluids by a needle -stick, cut or bite, **OR** splash to a mucous membrane surface (such as eyes, nose or mouth) **OR** contact with non-intact skin, do the following:

1. **Punctures:** Wash the affected area well with soap and water for 15 minutes. **Splash to eyes, nose or mouth:** Flush affected area in eyewash for 15 minutes.
2. **Notify EHS and your supervisor** if available.
3. **Call the Yale Health Center** (see left side for location in your area) or have someone call to alert them of the incident.
4. **Seek medical evaluation immediately** (within 1 hour).

Reporting

After medical evaluation: Supervisor/employee must complete:

For Employees:

Report a claim to CorVel 833-400-7222

For non-employees (students, visitors):

Report the incident to the Office of Risk Management via email and report the claim to the claims administration company.
