

# Campus Venues Available for Events and Gatherings

Events and gatherings must comply with the [Events, Gatherings & Meetings Policy](#).

PLEASE NOTE: Event occupancy limits DO NOT rely on posted occupancies OR fire code limits. See the Events, Gatherings & Meetings Policy for % occupancy limits. See [Occupancy Requirements and Limits](#) for calculating 100% occupancy (i.e., 100% occupancy equals number of seats if seated or 25 square feet per person if not seated. For aerosolizing activities, occupancy 50% occupancy if seated or 50 square feet per person if not seated).

The use of on-campus venues for events and gathering is highly recommended. COVID can be spread by aerosols in poorly ventilated indoor spaces (like private homes and local restaurants), especially when eating and drinking is involved. Yale has upgraded and optimized ventilation throughout campus to reduce this risk. The following on-campus spaces have verified ventilation. Yale Catering is available to partner with you in finding a location that works for you within your budget as well as provides catering in compliance with the recommended health and safety guidelines. Please contact Danielle Shapiro, Managing Director of Catering, at [danielle.shapiro@yale.edu](mailto:danielle.shapiro@yale.edu) for assistance. Note that non-Yale caterers that serve food at on-campus events must be vaccine-verified as short term visitors per the [Visitor Policy](#).

- Events and gathering guidance is posted on the [Yale COVID -19 website homepage](#).
- Please do your best to find an on-campus location for your event or gathering. If an on-campus venue is not available, take care in choosing an off-campus location and follow the guidance for hosting events off campus posted at <https://ehs.yale.edu/safe-travel-practices#hosting>.
- EHS has evaluated ventilation at some local establishments including The Omni, Mory's, and Water's Edge, and has determined these venues meet Yale's ventilation standards. When using these venues, please comply with Yale's occupancy limits.

## Campus Venues with Mechanical Ventilation

Venue	Scheduler	Phone	Email
Battell Chapel	Debra Rohr	203-432-1133	<a href="mailto:debra.rohr@yale.edu">debra.rohr@yale.edu</a>
Beinecke	Jen Castellon	203-432-7325	<a href="mailto:jennifer.castellon@yale.edu">jennifer.castellon@yale.edu</a>
