up through Yale Employee Health.**

Procedure Following Blood/Body Fluid Exposure

Report exposure immediately.
You may need immediate therapy.

If you are exposed to blood or body fluids by a needle-stick, cut or bite, **OR** splash to a mucous membrane surface (such as eyes, nose or mouth) **OR** contact with non-intact skin, do the following:

1. **Punctures:** Wash the affected area well with soap and water for 15 minutes. **Splash to eyes, nose or mouth:** Flush affected area in eyewash for 15 minutes.
2. Notify your supervisor, if available.
3. Call the Yale Health Center (see reverse side for location in your area) or have someone call to alert them of the incident.
4. Seek medical evaluation immediately (within 1 hour).

After medical evaluation: Supervisor must complete:

For Employees: Search "Yale First Report of Injury" to access the form.

For Non-Employees (students, visitors): Search "Yale Reporting Accidents and Insurance Claims".
