

# Travel Authorization Form

for Yale Undergraduate Students

Yale [Travel Guidelines](#) prohibit travel outside of Connecticut by Yale undergraduates during the fall 2020 semester. If extenuating circumstances (e.g., family funeral, medical treatment, etc.) necessitate travel outside of Connecticut, this form must be submitted to your College's Health and Safety Leader or Head of College for their consideration and approval.

Follow Yale [guidance about travel to specific locations](#). If travel is approved to a high transmission state (according to the [Connecticut COVID19 portal](#)), you must meet all return to Connecticut requirements (including registration and quarantine).

Failure to receive approval authorization prior to travel is a violation of the community compact. State requirements and Yale's policy apply and may change at any time should the health and safety environment warrant.

Traveler Name	Phone number
College	
Email address	
Start Date	End Date
Destination	
Reason for Travel	
Mode of Transportation	
By submitting this form I agree to comply with the terms of the Community Compact and will follow all applicable state rules and Yale policies on my return to campus.	
Signature	Date
