

Toxic Substance Control Act - Import Certification Form

Chemical substances imported into the United States must be accompanied by a certification form indicating that the shipment is in compliance with the EPA's Toxic Substance Control Act. The following chemical substances are being imported and sent to a laboratory researcher at Yale University, New Haven, CT. This shipment contains the following chemical substances:

Chemical Name	Chemical Abstracts Services (CAS) Registry Number (if available)
_____	_____
_____	_____
_____	_____
_____	_____
_____	_____

The following certification can be made regarding this shipment (select one of the following two certifications).

I certify that all chemical substances in this shipment comply with all applicable rules or orders under TSCA and that I am not offering a chemical substance for entry in violation of TSCA or any applicable rule or order under TSCA.

(Or)

I certify that all chemicals in this shipment are not subject to TSCA.

(And, if applicable)

The attached list of chemical substances will be used for research purposes only.

Please do not hesitate to contact me if you have questions concerning this import certification or require additional information concerning it. Thank you for your attention in this matter.
